Description

The AURE stain resistant apron is made of high quality vinyl, which gives it exceptional strength and remarkable durability. This material is known for its ability to withstand demanding conditions.

The pocketless design provides a clean, professional look and makes the apron easy to clean. You won't have to worry about dirt accumulating in the pockets.

The adjustable harness allows for a custom fit, ensuring the apron fits ergonomically to your body. It won't move, no matter what the working conditions.
