Description

Our beige apron, enhanced with chocolate herringbone strips, is a testament to style and distinction. This colour combination gives it a modern and refined look, perfect for those looking for a touch of elegance in their work uniform.

This apron has been designed with comfort and functionality in mind. With four pockets on the front, it offers ample space to carry all your essential tools and utensils, from order books to spoons and pens.

We value your comfort, which is why we have equipped this apron with side tie straps. This allows you to adjust the apron to your size, ensuring a comfortable and secure fit throughout the working day.

The fixed neck strap ensures that the apron stays in place, allowing you to move with ease and confidence as you serve your customers.

We know that your working environment can be demanding, so we've made this apron from high quality materials that will stand up to daily wear and tear. It is designed to keep its appearance impeccable even after numerous washings and days of service.
