Description

These trousers are made from 100% RECYCLED POLYESTER MICROFIBRE (125gr/m²) as part of our Gary's Uniform NATUREWEAR range. The use of recycled materials helps reduce environmental impact and promotes sustainability, which is especially valuable today.

This pant features a pocketless design with no front darts, creating a clean, modern look. The belt loops at the waist allow you to add a belt if desired, adding versatility to your uniform.

Recycled polyester microfibre is known for its durability and resistance to continuous wear, ensuring your uniform maintains its attractive appearance over time.

By choosing a product made from recycled fabric, you are demonstrating your commitment to sustainability and respect for the environment.

These trousers are ideal for uniforms in bars, restaurants and cafés, as well as for roles in reception, transport, office or retail. Its versatile design adapts to different work needs.
