Description

The Casdy Bermuda shorts are made from high quality stretch denim that ensures a durable and hardwearing garment. This stretch fabric allows for greater freedom of movement, which is crucial in an active hospitality environment.

The high-waisted design is not only stylish, but also provides all-day comfort. You'll feel at ease while maintaining a professional appearance.

These trousers feature a variety of functional pockets that make it easy to carry essential tools with you. Two front jean pockets provide convenient storage space for small items, such as pens or a notepad. In addition, two rear patch pockets and a watch pocket complete the functional design.

The button and zip fastening makes the trousers easy to put on and take off, as well as contributing to their clean, elegant look.
