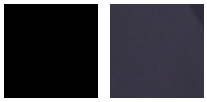
Composition / Treatment

TECNO 96% PES 4% EA - 215 gr/m²

Available colors



001 104

Reference: 793200-001 · BLACK

Description

These trousers are made from TECNO twill, a blend of 96% polyester and 4% elastane. This fabric offers a unique combination of stretch and strength, allowing unrestricted movement while maintaining its shape and durability over time.

The trousers feature a French-cut pocket with topstitching on the front, providing a stylish touch. At the back, there is a watch pocket on the right side, ideal for carrying small essentials.

In addition, the 6 belt loops are carefully attacked with loops at the top and bottom, ensuring that belts are held securely in place. The belt loops on the pockets and the blind stitch hem add an extra touch of style.

These trousers are available in two classic and versatile colours: black and navy. These colours are ideal for the hospitality and service sector, as they are easily matched with a variety of shirts and jackets.

Ideal for dressing professionals in the hospitality, catering and service sectors. Its functional and stylish design makes it suitable for bars, restaurants, hotels, reception, transport and any environment where a professional and comfortable appearance is required.
