Description

The Herringbone Contrast Bib Apron is the perfect combination of style, strength and functionality. Designed for professionals in the hospitality, catering and retail sectors, this apron adds a modern and sophisticated touch without sacrificing comfort and practicality.

Made of PANAMA 100% ACRYLIC (210 gr/m²), it offers great resistance to daily use, easy maintenance and durability. Its adjustable design with herringbone straps and metal fittings guarantees a secure and comfortable fit for any user.

In addition, it has several strategic pockets: 1 pocket on the right chest, 1 front pocket on the left side and a herringbone loop on the right front, providing additional space for storing utensils and work tools.

With an approximate length of 88 cm, this apron offers optimal coverage and an ergonomic fit, perfect for keeping clothes protected without restricting mobility.

* Professional and modern design, ideal for hospitality and commercial use.
* Hard-wearing and easy to maintain material, designed for intensive use.
* Comfortable and secure fit, thanks to the herringbone straps and metal fittings.
* Highly functional, with pockets and belt loops for convenience.
* 88 cm long, ensuring excellent coverage and protection.
* Available in versatile and stylish colours: Black, Olive Green, Moss Green, Aqua Green, Caldera and Mustard.
