Description

The Combined Pocket and Ribbon Bib Apron is an ideal choice for professionals in the hotel, catering and retail sectors who are looking for a functional, comfortable design with a distinctive touch. Its combination of colours and materials provides a modern style without losing the resistance and practicality required for day-to-day work.

Made in high quality canvas (95% CO, 10% PES - 215 gr/m²), this apron stands out for its durability, softness and easy care. Its adjustment system with herringbone straps allows for a comfortable fit for different sizes and users.

With one chest pocket and two front pockets, providing enough space to store utensils, tools or essential devices for work. With an approximate length of 88 cm, it offers excellent coverage and protection without compromising mobility.

Available in stylish and versatile colours: grey and camel, this apron adapts to different styles of professional uniforms, providing a sophisticated and differentiated touch.
