Description

Discover the Recycled Twill Bib Pocket Apron, a versatile, resistant and environmentally friendly garment. Made from recycled twill (65% polyester - 35% cotton, 195 gr/m²), this apron combines durability, comfort and a professional design ideal for hospitality, kitchen and retail.

Its functional design includes a left chest pocket with a patch pocket and an additional pocket on the right front, providing extra space for tools or accessories. The 3 cm wide bib and bottom band reinforces the structure and adds to the modern style.

Available in black and khaki green, it is the perfect choice for those looking for quality, design and sustainability in their work uniform.

* Durable, eco-friendly fabric: recycled twill 65% polyester - 35% cotton (195 gr/m²).
* Functional design with multiple pockets for practicality.
* Reinforced with a 3 cm strap for a comfortable and long-lasting fit.
* Length 88 cm, providing coverage and protection.
* Available in black and khaki green, versatile colours for any work environment.
