Description

Add a professional and eco-friendly touch to your uniform with the Recycled Twill Short Apron, designed for the hospitality, kitchen and retail sectors. Made from recycled twill (65% polyester - 35% cotton, 195 gr/m²), it combines strength, comfort and commitment to the environment.

Its compact design includes a wallet pocket on the front, ideal for storing utensils or work accessories. The side strap adjustment system allows for a comfortable and secure fit.

Available in black and khaki green, versatile and stylish colours to suit any professional uniform.

* Made from durable and sustainable recycled twill.
* Wallet pocket on the front, ideal for storing utensils.
* Adjustment by means of straps, adaptable to different sizes.
* Measures 35x67 cm, offering a light and functional cover.
* Available in black and khaki green, modern and professional colours.
