Description

This cardigan is specifically designed to fit the female figure, making it comfortable and flattering. The semi-fitted cut enhances the silhouette without sacrificing comfort.

The button fastening at the front not only adds a stylish touch, but also allows for easy access and undressing, which is especially useful in environments where hygiene is paramount.

The two side pockets are handy for carrying small items such as pens, notepads, medical devices or simply keeping your hands free.

The acrylic knit is soft to the touch and provides a warm, comfortable feel all day long. Plus, it's easy to care for and maintain.

This cardigan is ideal for a variety of work environments, including waitresses, receptionists, office workers, cleaning staff, nurses and healthcare professionals.

It is also suitable for those working in clinics, transport, retail and more.
