Description

This waistcoat has been designed to offer a smart and professional look. Its semi-fitted cut ensures it fits the figure perfectly, offering a polished and sophisticated look.

Although it is ideal as part of a waiter's uniform, its versatility makes it a good choice for a variety of occasions. You can wear it at the reception desk of your establishment, while transporting goods, in the office or even in a shop. It is a garment that adapts to a variety of environments.

The high quality acrylic knit used in the construction of this waistcoat ensures an exceptionally soft and comfortable feel all day long. This is essential for those times when you need to concentrate on providing exceptional service to your customers.

This waistcoat has been designed to be unisex, which means it is suitable for everyone, regardless of gender. This simplifies the choice of uniform in your establishment and ensures a uniform and professional appearance.
