Description

Our V-neck jumper has been designed with the standards of elegance required in the hospitality industry in mind. Its semi-fitted cut provides a sophisticated look that is perfect for those who wish to project an impeccable professional image.

While this jumper is ideal as part of a waiter's uniform, its versatility makes it an exceptional choice for multiple work scenarios. Whether at the reception desk, during transport duties, in the office or in a commercial environment, this jumper easily adapts to your needs.

We know that long hours at work are common in the hospitality industry, which is why we have carefully chosen acrylic knit for the construction of this garment. Its soft and pleasant texture ensures long-lasting comfort, which is essential for staying cool and confident in any situation.

This jumper has been designed to be unisex, which means it is suitable for everyone, regardless of gender. In addition, its V-neck adds a touch of sophistication to your look, setting it apart in any work environment.
