Description

The pleated bib skirt features a pleated design for a touch of elegance and style. The pleats provide a refined, classic look that suits the formal education aesthetic.

The button fastening side slit ensures girls' safety and comfort as they move and play at school. Buttons provide a secure closure that prevents unintentional slipping.

The waistband of the skirt includes adjustable elastic on the inside, allowing for a customised fit for each girl. This ensures that the skirt fits comfortably and can accompany her growth throughout the school year.

The dungarees are an iconic element that adds a distinctive touch to the school uniform. On this skirt, the dungarees are fastened with buttons, making it easy to put on and take off. In addition, it offers a neat and tidy appearance.

The pleated bib skirt is available in three colours: navy, light grey and charcoal grey.

This skirt is designed without a lining, which simplifies the washing and ironing process. Education professionals and parents will appreciate the ease with which it can be kept in perfect condition.

Made from high quality materials to ensure durability over time.
