Description

Our pleated skirt features a pleated design that adds a touch of classic elegance. The pleats add a refined touch to girls' school attire, making them stand out in style.

The side slit of the skirt is button fastened, ensuring the garment stays in place all day long. This gives both children and adults peace of mind, knowing that the skirt will stay in place without any problems.

The skirt is designed without an inner lining, which significantly facilitates the washing and ironing process. This feature is especially appreciated by those looking for easy care school wear.

Our Pleated Skirt is available in three colours: navy, light grey and dark grey. This variety of options allows girls to choose their preferred colour or to meet specific school uniform requirements.

This skirt has been made from high quality materials, ensuring durability over time. It is an investment that will last throughout your daughter's school years.

The combination of pleated design and quality fabric makes this skirt easy to iron, saving time when preparing school clothes and allowing children to always look their best.
