Description

The PVC/COTTON bib apron is made from a combination of high quality PVC and cotton. This gives it the strength and durability of PVC, while the cotton provides comfort and breathability.

Its waterproof and stain-resistant finish ensures you are protected against splashes and spills. Keep your clothes and uniform spotless throughout the working day.

The apron bib features adjustable drawstrings, allowing you to customise the fit to your preference and comfort. No need to worry about the apron slipping while you work.
