Description

The TRENDER pocket skirt features a slim-fit design without a waistband, ensuring a neat and comfortable look for long working days. This feature translates into a professional, uncomplicated look.

This skirt is made from high-quality stretch denim. This means it offers great durability and strength, adapting to the body's movements without restriction. You no longer have to worry about wrinkles or the discomfort of stiff fabrics.

Two large pockets on the front of the skirt allow you to carry your work essentials, such as notebooks, pens or even mobile devices. These pockets are a practical solution to keep everything within easy reach without the need to carry extra bags.

The slit at the front of the skirt not only adds a touch of style and elegance, but also provides added comfort when walking or moving with agility in your work environment.

This is ideal not only for hospitality professionals, but also for reception, transport, office or retail workers. Its versatile design makes it a perfect choice for a variety of occupations.

Available sizes

36 38 40 42 44 46 48 50 52 54 56 58
