Description

The COLD pocket skirt features a slim-fit design without a waistband, ensuring a neat and comfortable look for long working days. This feature enhances the silhouette and gives a professional look.

Our skirt is made of high-quality COLD stretch fabric. This means that the garment adapts to the body's movements without restriction, providing maximum comfort and durability. Forget about the discomfort caused by stiff fabrics.

The skirt features two spacious pockets at the front, strategically designed to allow storage of your essential work tools, such as notepads, pens or mobile devices. These pockets add a touch of practicality to the uniform.

The back zip on this skirt offers a stylish and efficient solution for quick dressing. This feature streamlines your daily routine and allows you to maintain a professional look without fuss.

Back Slit: The slit at the back of the skirt not only adds a touch of style and elegance, but also provides added comfort when walking or moving around your workplace with ease.

The COLD pocket skirt is the ideal choice not only for hospitality professionals, but also for those working in reception, transport, office or retail. Its versatile design makes it suitable for a variety of occupations.
