Description

The perfect fusion of sustainability and style with our 45x68 centimetre Organic Fabric Bibless Apron. Made from 100% organic cotton canvas, this garment not only ensures comfort during long working days, but also reflects our commitment to the environment.

This short apron is a conscious choice for hospitality professionals, restaurants and cafés who value quality and want to contribute to sustainability. The two front pockets add practicality to its design, offering additional space for essential utensils and personal items.

Modern styling and functionality combine to create an apron that goes beyond fashion, standing out as an eco-friendly option. Elevate your team's image and demonstrate your commitment to sustainability with our Bibless Apron Mat, the perfect choice for those looking to make a difference with style and environmental awareness.
