Description

Find sustainable fashion with our Recycled Printed Bib Apron 80x68 centimetres, an eco-friendly gem in our NATUREWEAR line at Gary's Uniforms. Made from 100% recycled polyester twill, this apron not only adds style to your uniform, it also reflects our commitment to environmental sustainability.

The sleek, modern design combines with high quality recycled materials to create a durable, eco-friendly garment. The front pocket offers additional practicality for carrying your essential work tools, while the neck strap with plastic snap buckle closure ensures a comfortable and secure fit.

Ideal for hospitality professionals, waiters and shop staff, this bib apron not only enhances your professional image, but also contributes to the environment. Join the sustainable movement and stand out in style and responsibility with our Recycled Printed Bib Apron.
