Description

Our indigo denim washed bib apron with frayed pockets guarantees the highest quality and durability. The worn indigo denim fabric gives this apron an authentic and distinctive look, reflecting your commitment to service excellence.

With three front pockets, this apron offers generous space to carry your essential tools and utensils, allowing you to stay organised and prepared for any task in your work environment. The frayed pockets add an extra touch of style.

We value your comfort, so we have incorporated a neck strap secured by an adjustable metal buckle and side straps for knotting. This allows you to adjust the apron to your size, ensuring a comfortable and secure fit that is tailored to your needs.

This apron is designed to withstand the demands of the working environment in the hospitality industry. The high quality materials and hardwearing design ensure that it will maintain its impeccable appearance even after numerous washings and days of service.
