Description

The TRIVIAL pocketless skirt features a slim-fit design that adapts to your figure thanks to the darts at the front and back. This not only provides a stylish look, but also ensures a comfortable fit during your long working days.

Our skirt is made of TRIVIAL fabric (185gr/m²) consisting of 77% polyester, 20% viscose and 3% elastane. This combination of materials offers a number of key benefits, such as greater freedom of movement, comfort and softness to the touch. It is also crease-resistant, which makes the ironing process easier and ensures that your uniform looks impeccable.

The back slit not only adds a touch of style, but also improves walking comfort and allows you to move around your work environment with ease. The inner lining ensures extra comfort and softness against your skin.

Unlike other models, the TRIVIAL pocketless skirt does without pockets, ensuring a more polished and elegant appearance. This feature is especially valuable in a professional environment where image plays a crucial role.

These design details ensure a secure and comfortable fit, as well as adding a touch of style to the uniform. This skirt is perfect as a uniform for waitresses, reception staff, transport, office or retail workers, as its stylish design is suitable for a variety of work environments.
