Description

The 100% polyester microfibre construction ensures a durable, crease-resistant garment that is easy to maintain. Microfibre is known for its softness to the touch, ensuring a comfortable feel throughout the working day.

The trouser skirt is equipped with a zip and button on the left side to facilitate the dressing process and ensure a secure fit.

The inclusion of elastic on both sides of the trouser skirt provides an additional level of comfort and flexibility. This allows for greater mobility while on the job, which is essential for professionals who are constantly on the move.

The two side pockets are handy for carrying small items such as pens, notepads, or any other essential utensils in your daily work.

This garment is ideal for waitresses in bars, restaurants and cafés, but is also suitable for roles in reception, transport, office or retail. Its versatile design adapts to different work needs.
