Description

The NIÑOS LÁPIZ chasuble features a fun design that includes images of crayons, creating a cheerful and stimulating atmosphere in the school environment. It also has a personalisation space on the chest, allowing you to add your name or a special detail, making each chasuble unique.

Equipped with a pocket on the right side, this chasuble offers a convenient place to carry small essentials, such as pens, handkerchiefs or any items needed during the work day.

The adjustable side straps with press studs allow for a comfortable, personalised fit, providing comfort to the wearer and adapting to different sizes and preferences.

Chest and back darts ensure that the chasuble fits the body optimally, providing comfort and freedom of movement during work.

The NIÑOS LÁPIZ chasuble is made in a fabric combining 65% cotton and 35% polyester in the main part, and a 100% polyester SARGA fabric in the pocket area and the space for personalisation. This guarantees durability, comfort and ease of care.
