Description

Add colour, freshness and personality to your uniform with the AQUARIUM Chasuble, a dungarees style garment designed for professionals looking for functionality without losing style. With a semi-fitted design (M2), enhanced by darts on the chest and back, this chasuble adapts elegantly and comfortably to the work routine.

Made from lightweight, sustainable PLANA fabric (43% polyester, 32% recycled polyester, 25% cotton) weighing 132 g/m², it is ideal for those who value environmentally friendly workwear. The wide straps in pink vichy and the armholes trimmed with Aquarium print add an original and distinctive touch, ideal for sectors such as education, aesthetics, commerce, hospitality or children's centres.

It has 2 combined front pockets, practical and decorative, which complete a functional and cheerful design, perfect to stand out in dynamic and creative professional environments.

* Dungarees with darts on chest and back for better fit
* Wide straps in pink vichy and armholes with Aquarium print bias binding
* 2 combined front pockets, functional and with attractive design
* Lightweight and sustainable fabric with recycled fibres (132 g/m²)
