Description

Bring your uniform to life with the ZOO Chasuble, a dungarees-style garment designed for professionals looking to stand out with a dynamic, comfortable look with personality. Ideal for sectors such as early childhood education, toy libraries, retail, paediatric clinics or creative aesthetics, this chasuble combines fun design with functionality.

Made from flat fabric (65% polyester, 35% cotton) weighing 145 g/m², it is lightweight, resistant and easy to care for. Its semi-fitted cut (M2) with back darts ensures a flattering silhouette without losing freedom of movement.

The 2 sublimated front pockets not only add an eye-catching visual touch, but are also practical for everyday work. The metal-riveted shoulder straps and the bias binding on the armholes in albero add style and durability.

* Ergonomically designed and cheerful dungarees.
* 2 front pockets, sublimated, functional and decorative.
* Metal riveted shoulder straps and armholes trimmed in albero colour.
