Description

The women's pocketless trousers offer a perfect mid-rise fit that balances comfort and style. This versatile design adapts to a variety of personal preferences and styles.

These trousers are made from POLYESTER WOVEN 100%PES 165gr/m², ensuring a garment that is strong, durable and easy to maintain. The material also offers exceptional comfort, allowing professionals to move freely during their working day.

The absence of pockets on the trousers contributes to a clean and smart appearance, which is especially useful in work environments where a professional image is required.

The waistband at the top of the trousers, together with the button and zip fastening at the front, ensures a comfortable and secure fit. It facilitates the dressing process and ensures that your uniform stays in place all day long.

With its perfect fit, high quality fabric and carefully considered design details, these trousers are designed to help you meet the challenges of your occupation, ensuring you look professional and comfortable at all times.
