Description

These trousers are made from 100% RECYCLED POLYESTER SARGA (165gr/m²). It is part of our NATUREWEAR line of Gary's Uniforms, which promotes sustainability and respect for the environment. Using recycled materials helps reduce environmental impact and promotes the circular economy.

The pocketless design with no pockets or front darts creates a clean, modern look. Belt loops at the waist offer the ability to add a belt if desired, adding versatility to your uniform.

Recycled polyester twill is known for its durability and resistance to continuous wear, ensuring your uniform maintains its attractive appearance over time.

These trousers are ideal for uniforms in bars and restaurants, cafes, bakeries, patisseries and general retail outlets. Its versatile design adapts to different work needs.
