Description

The Nina Women's Shirt 240019 is a sophisticated and versatile garment, designed for comfort and elegance in any professional environment.

With its modern design and high quality materials, this shirt is perfect for those looking for a balance between style and function.

The front and back darts, together with the buttoned cuff, provide a structured and professional look suitable for any work environment.

Made from Elysian elastane poplin fabric (60% cotton, 37% polyester, 3% elastane), this shirt ensures a comfortable feel all day long, allowing freedom of movement thanks to its elasticity.

The semi-fitted cut and the approximate length of 65 cm offer a slim and modern silhouette, enhancing the figure in an elegant and comfortable way.

The combination of cotton and polyester makes this shirt wear-resistant and easy to maintain, keeping it looking fresh and new after multiple washes.

Available in classic colours such as black and white, this shirt can be easily combined with other garments, allowing for a neat and elegant look at all times.

The Nina Women's Shirt 240019 is the perfect choice for those looking for a garment that combines style, comfort and durability. Ideal for the professional environment, it will allow you to always look impeccable and sophisticated.
