Description

The Alice Women's Shirt 240029 combines style and function, making it an ideal choice for both business and casual wear.

With a smart design and practical details, this shirt offers a neat, modern look that is perfect for any occasion.

The button-down collar and two front pockets provide a sophisticated and practical look, ideal for everyday work or casual occasions.

Made from herringbone twill (60% cotton, 40% polyester) weighing 130 g/m², this shirt ensures a comfortable feel all day long, while remaining wear-resistant and easy to maintain.

The semi-fitted cut, the darts on the front and the gusset on the back ensure a slim, modern silhouette, enhancing the figure in an elegant way.

Available in light blue-navy and brown-navy colour combinations, this shirt easily adapts to different styles and preferences, allowing for great wardrobe versatility.

The long sleeves with buttoned cuffs and approximate length of 65 cm complete a contemporary design, suitable for a variety of settings, from the office to social events.

The Alice Women's Shirt 240029 is the perfect choice for those looking for a garment that combines style, comfort and durability, ensuring an impeccable appearance with a touch of elegance.
