Description

The Gary's Uniforms Men's Giacomo Shirt 260023 is the ultimate choice for those looking for a balance of sophistication and comfort.

This long sleeved shirt features a slim fit that enhances the figure with a modern and stylish design.

Made from high quality twill (50% polyester, 50% cotton) in a soft sand colour.

This shirt offers a slim silhouette that complements the masculine figure for a sleek, modern look.

The button-down collar and buttoned cuffs add a traditional finish that never goes out of style.

Made from 140 gsm twill (50% polyester, 50% cotton), the shirt combines the softness of cotton with the strength of polyester.

The pleats and back yoke ensure a perfect fit, allowing freedom of movement without sacrificing style.

The sand colour is neutral and versatile, suitable for pairing with a wide range of trousers and jackets, making it an essential piece in any wardrobe.

The blend of materials provides greater ease of care, reducing creasing and keeping the shirt in optimum condition for longer.
