Description

The L.O.L. bib is a closed bib that provides full coverage to protect children's clothing during school activities. This is especially important to maintain cleanliness and avoid stains.

This babi features an original patchwork on the pocket that adds a unique and distinctive touch to the garment. This creative detail adds a special element to the design.

The long sleeves with elasticated cuffs and collar offer a comfortable and secure fit, allowing children to move freely without worrying about the sleeves sliding up.

The babi has a handy central pocket that provides storage space for small items or school utensils, making it easy to access these items during the school day.

This bib is made of a 65% polyester and 35% cotton blend. This combination of fabrics offers durability, comfort and wear resistance.

The front of the babi features a fun print design that adds a touch of playfulness and personality to the garment.

For added convenience, the L.O.L Babi offers the option of combining it with a matching backpack. This allows children to carry their school belongings in an organised and stylish way.

This babi is comfortable to wear, easy to wash and iron, and dries quickly. These features are essential for parents and education professionals looking for practical garments.
