Description

The OVEJA babi is a closed babi that provides full coverage to protect children's clothes from stains and spills while they are doing their school activities. This design provides added durability and avoids the need to change clothes frequently.

This babi features an adorable patchwork sheep design embroidered on the front. This sheep adds a playful and charming touch to the garment, which is sure to attract children's attention.

The long sleeves are equipped with elastic at the cuffs and collar to ensure a comfortable and secure fit. The elastics keep the sleeves in place, allowing children to move around easily and comfortably.

The OVEJA babi features a handy central pocket. This pocket provides additional space for children to store small items or school tools in an accessible way.

This bib is made of high quality sapphire stretch denim, consisting of 98% Polyester and 2% Elastane. This fabric is durable and stretchy, allowing children to move freely without restriction.

The front of the babi features a charming star print that adds an extra touch of style and visual appeal.

For perfect coordination, there is the option to purchase a matching backpack with the OVEJA Babi, providing a uniform and complete outfit for children.

Available sizes
