Description

The POCOYO GLOBOS bib is a closed bib that provides full coverage, protecting children's clothes from stains and spills during their school activities. This design helps keep children clean and comfortable.

The standout feature of this babi is the fun Pocoyo embroidered patchwork on the front. This design adds a touch of fun and excitement to the garment, making it an attractive choice for children.

The POCOYO GLOBOS babib features long sleeves with elastic at the neck and cuffs. This ensures a comfortable fit and helps keep the sleeves in place while children go about their school activities.

This babi is equipped with a central pocket in the tummy area. This pocket is ideal for children to store small school tools or any items they need to keep handy.

The choice of high quality materials is a priority in the making of this babi. It is made from a combination of 65% Polyester and 35% Cotton, ensuring durability and comfort.

To add a touch of fun and originality, the sleeves of the Pocoyo Balloons Babi feature a balloon print on a white background. This playful design is perfect for engaging children and encouraging a positive school environment.
