100% COTTON - 200GR

Available colors

117 157

Reference: 300013-117 · PEARL GRAY

Description

The KOALA babi features an open design with a front fastening with exposed lozenge buttons. This design makes it easy for children to put it on and take it off quickly and easily, encouraging independence and self-care skills.

The babi's long sleeves are elasticated at the cuffs to ensure a comfortable fit and keep the sleeves in place while children go about their school activities.

This babi features a sport hood, adding an extra layer of warmth and protection from the cold. The hood is a functional and attractive detail that can help keep children comfortable in cold weather.

The choice of material is essential when making any children's garment. The KOALA babi is made from 100% cotton pique knit, which makes it soft to the touch and comfortable to wear, as well as being a natural fibre that breathes, ideal for keeping children warm without overheating them.

This babi includes two functional side pockets that allow children to store small objects or keep their hands warm on cold days.

The KOALA babi is distinguished by its original koala print on the sleeves and pockets. This design adds a fun and unique touch to the garment, which can make children feel attracted to it.

Available sizes
