**Description**

The POCOYO PINTURAS babi is a long sleeved babi with a closed front design. This provides full coverage and ensures that children are protected during their school activities.

This babi features a practical central pocket in which children can carry their small items, such as crayons, pencils or tissues. This pocket is convenient and promotes children's autonomy by allowing them to keep their belongings within easy reach.

The elasticated cuffs and collar ensure a comfortable fit and prevent the sleeves from sliding up during school activities, ensuring that children are protected at all times.

The check fabric in shades of orange adds a touch of colour and style to this school bib. Vichy checks are a classic that never go out of style and make this garment visually appealing.

On the front and on the pocket, we find a cheerful print of Pocoyo and his friends. This themed design is appealing to children and can inspire their imagination and creativity.

To complete the school set, there is the option of purchasing a matching backpack that goes perfectly with the bib. This allows children to have a coordinated and functional school set.
