CHILDREN´S POLAR PONCHO

Reference: 309800

Composition / Treatment

POLAR 100% PES - 280 gr/m²

Available colors

104 109 151

Reference: 309800-104 · NAVY

Description

The poncho has a unique design that resembles a blanket with an opening in the centre for the head. This allows the arms to remain free, giving students maximum freedom of movement while keeping them warm.

For additional protection from the cold and wind, this poncho has a built-in hood that keeps the head and neck warm. The hood is especially useful in cold and windy weather.

The 100% polyester fleece fabric is known for its warmth and softness. It provides an insulating layer that helps maintain body heat and protect against the cold.

The poncho is available in a range of colours including grey, camel and navy. This allows parents and educators to choose the colour that best suits the children's taste and preferences.

Comfort is a priority, and this children's fleece poncho offers just that. Children can move around with ease without feeling restricted by layers of heavy clothing.

Available sizes

M G P
