This babi has a bib-style design that easily fits over the head without the need for a full back. This allows for greater comfort and ease of use for children.

The back closure with knotting straps ensures a secure and personalised fit for each child. It is easy to put on and take off, making it a convenient choice for parents and educators alike.

Long sleeves with elasticated cuffs provide added protection against spills and stains, keeping children's clothes clean and dry.

The babi has a pocket on the right side which is useful for storing small items or drawing tools, making it easy to access while in the school environment.

Made of 100% cotton, the babi is soft and comfortable to wear. The knitted pique fabric is durable and hard-wearing, ensuring that the bib maintains its quality over time.

The babi features a koala print on the sleeves and pocket, making it appealing to children and adding a touch of fun to their school uniform.
