Description

This bib features a bib-style design that is easy to put on without the need for a full back. This allows the mobility and comfort required for hospitality staff who are constantly on the move.

The back closure with knotting straps provides a custom fit, which is essential in the hospitality environment where ample mobility is required.

The long sleeves with elasticated cuffs provide additional protection and prevent the sleeves from getting dirty while working in a culinary environment.

The babi has a practical pocket on the right side, ideal for carrying pens, order books or other essential work utensils.

Made from 100% cotton pique knit, this babi is soft, durable and comfortable to wear for long shifts.

The cute chick print on the sleeves and pocket adds a touch of style and unique visual appeal to the garment, making it stand out in the hospitality environment.
