Description

The children's chasuble features a stole design that is easy to put on and take off, which is especially important in environments where children need to move freely. Knotting straps on the sides ensure a secure and comfortable fit.

The back of the chasuble is made from 65% Polyester - 35% Cotton SARGA in albero, a durable and easy to maintain fabric. The front features a 100% Polyester SARGA printed with a playful design combining animals and musical elements, adding a touch of fun and creativity to the uniform.

The design on the front features cute animals and different musical instruments that will capture children's attention and encourage their curiosity and creativity.

The chasuble is comfortable for children to wear throughout the day at nursery or school. It allows them to move freely and participate in educational and play activities without restriction.

This garment is easy to care for, which is essential for busy parents and educators. It can be easily washed and ironed, maintaining its appearance and durability even after multiple washings.
