Description

The children's chasuble features a stole design that is easy to put on and take off, which is essential for children in educational settings where they need to move freely. Knotting straps on the sides ensure a secure and comfortable fit.

The back of the chasuble is made from 65% Polyester - 35% Cotton PLANA in a pleasant aqua green colour. This fabric blend ensures durability and comfort, which is important for everyday wear in school environments.

The design on the front features numbers and a cute fish that will capture children's attention and add a touch of fun to mealtimes.

The chasuble is comfortable for children to wear during meals and school activities. It allows them to move freely and participate in school activities without restriction.

This garment is easy to care for, which is essential for busy parents and educators. It can be easily washed and ironed, maintaining its appearance and durability even after multiple washings.
