Composition / Treatment

SPLIT COWHIDE LEATHER/ SYNTHETIC FABRIC ON THE BACK

Available colors

001

Reference: 330400-001 · NEGRO

Description

Despite being made of synthetic leather, this belt offers the look and feel of genuine leather, providing an elegant and sophisticated look.

The classic design of this belt makes it a versatile accessory for a wide range of professionals, including those in hospitality, catering, reception, transport, office and retail.

With four different sizes (90cm, 95cm, 100cm and 110cm - Measure from buckle crossing to centre hole), you can find the size that best suits your waist for a comfortable fit.

This belt is suitable for both men and women, making it versatile and suitable for a variety of styles and preferences.

Ideal as an accessory for hospitality uniforms, reception, transport, office or retail. It can elevate your appearance in formal settings or be a practical accessory for everyday wear.

Available sizes

90 95 100 110

Size guide

Measurements may vary slightly due to the production process. The garment is measured flat.
