Description

The ASTRO backpack is made from a blend of Polyester and Cotton, providing durability and comfort. The high quality materials ensure that this backpack can withstand daily use and children's adventures.

Measuring approximately 34cm x 34cm, this backpack is the perfect size for school children. It offers enough room for books, notebooks, snacks and other essentials without being overwhelming.

The drawstring straps allow children to adjust the backpack to their preference and comfort. They can easily sling it over their shoulders and carry it with ease.

The ASTRO backpack is available in two prints to match the Babi reference 300003. These original and attractive designs add a touch of fun and style, making it even more appealing to children.
