Description

The upper part of the cap is made of a high quality mesh that provides excellent ventilation. This feature ensures that the head stays cool and comfortable, even during long working days in hot and demanding environments.

The cap features a visor available in seven different colours, allowing each professional to stand out and personalise their uniform according to their style and preferences.

The inclusion of an elastic at the back ensures a comfortable and secure fit, allowing women to conveniently tuck their hair back and maintain a neat and professional appearance.

The variety of colour options on the visor allows each wearer to express her style and personality while maintaining a professional image.

The combination of breathable mesh and elastic at the back ensures exceptional comfort throughout the working day.

Ideal for hotel and catering, food, warehouse, kitchen, cleaning or retail uniforms.
