POPLIN 65% PES 35% CO - 116 gr/m²

Available colors

001

Description

This cap is made of black poplin, a premium cotton fabric. Poplin is known for its durability, softness to the touch and resistance to wear. It ensures a professional appearance and a long service life.

The cap has an elastic at the back to ensure a comfortable and secure fit. This elastic is particularly useful for keeping hair neatly tucked away and maintaining a professional and tidy appearance.

Thanks to the use of poplin and the ventilation provided by the mesh, this cap guarantees exceptional comfort throughout the working day. Professionals can stay cool and comfortable without compromising their professional appearance.

The black poplin cap is versatile and easily matches any uniform or work attire. Its unisex design makes it suitable for both women and men, while maintaining a smart and professional style.

Ideal for hospitality and catering, food, warehouse, kitchen, cleaning or retail uniforms.

Available sizes
