Description

This unisex cap combines high-quality twill with a mesh upper and a rigid visor. The result is a garment that guarantees an impeccable appearance, optimal ventilation and protection against splashes and unwanted substances.

This model is available in white or black, allowing users to select the shade that best suits their style or work uniform.

The back of the cap is elasticated to allow for easy and comfortable hair tucking while ensuring a snug fit on the head.

The combination of twill and mesh on the top ensures that professionals keep a cool and comfortable head even in intense working conditions.

The rigid visor protects against splashes, hot liquids and other potential hazards in the kitchen or work environment.

Ideal for hotel and catering, food, warehouse, kitchen, cleaning or retail uniforms.
