Description

This beanie is made of a mesh fabric, available in elegant white or sophisticated black. This material is not only breathable, but also resists daily wear and tear, ensuring a long service life.

The innovative ribbed tape around the entire cap not only adds a touch of style, but also has an essential function. This tape is designed to absorb sweat and minimise chafing, resulting in exceptional comfort during long hours of work in the kitchen or hospitality industry.

The ribbed waistband is not only functional but also comfortable. This feature provides a soft and comfortable fit on the head, preventing any discomfort during your working day.

Whether you choose classic white or sophisticated black, this cap suits any work environment and becomes the finishing touch to your uniform that will make you stand out from the crowd.
