Description

The caps are made of a premium quality mesh, available in elegant white or sophisticated black. The choice of this material ensures excellent breathability, which is essential in hot and demanding environments.

The standout feature of this cap is the curled rubber band around the contour of the brim. This rubber band not only ensures a secure fit, but also adapts to the shape of your head, providing comfort during long working days.

The curly rubber band provides an unparalleled feeling of comfort. It adapts perfectly to the shape of your head, preventing any discomfort and ensuring a secure fit all day long.

The high quality mesh allows air to circulate, keeping your head cool even in the hottest kitchens. This is essential for comfort and concentration.

Ideal for clinic, hospital, food industry, warehouse, cleaning or retail uniforms.
