Description

This boat hat, made with a white mesh on top, is designed to last. Made from high-quality materials, it guarantees strength and durability over time.

The black or burgundy trimmed beanie comes in two classic and sophisticated colours: black and burgundy. These versatile colours are ideal to match any uniform.

The white piping adds a touch of elegance and contrast to the beanie, highlighting its design and adding an element of style.

This beanie is available in a wide range of sizes, from P (small) to SG (super large), ensuring a perfect fit for everyone.

The black and burgundy colours, together with the white piping, allow professionals in the hospitality, kitchen and other sectors to stand out with elegance and professionalism.

The availability of various sizes ensures you find the perfect fit to suit your style and comfort.

The white mesh on the top keeps your head cool, and the piping does not cause uncomfortable chafing, ensuring a comfortable workday experience.

Ideal for hospitality, food, grocery, warehouse, deli, butcher and general retail uniforms.
