Description

This gown features long sleeves with a lapel collar that adds an elegant touch to the garment and allows for a comfortable fit.

The exposed button fastening is a functional feature that makes it easy to put on and take off the coat, which is especially useful in work situations where speed is of the essence.

The gown has two side pockets that provide additional storage space for personal items or essential work tools, which is useful in the hospitality industry.

The straight sleeves without elastic provide a comfortable fit and allow ample freedom of movement during daily tasks.

The coat is made of high-quality twill fabric in a stylish navy colour. This fabric combines durability, strength and ease of care.

The original print on the sleeves and front adds a distinctive and attractive touch to the garment, making it stand out in professional environments.
