Description

The gown features a long sleeve design with elasticated cuffs for comfort and versatility in wear.

The exposed central button fastening is not only functional, but also adds a touch of style to the garment.

Two side pockets allow for convenient carrying of personal items or work tools, which is valuable in the hospitality industry.

The chest and back darts provide a flattering fit and help to maintain a professional and neat appearance.

The gown is made from 100% recycled polyester printed twill, making it a sustainable and environmentally friendly garment.
